A History Making Year for Shepherd High School Band

he Shepherd HS Royal Blue Band program is having a banner year in 2016-2017.

School history was made with the success of the marching bandin U.I.L. competition. After a 1st division at the Regional level, the band advanced all the way to 4A Area Finals last October, no other Shepherd band has ever advanced that far. Then again history was made at the U.I.L. regional solo and ensemble contest in February. There were 17 - 1st division solos and ensembles represented by 28 different students at the regional level. That translated to a record number of students advancing to the State U.I.L. Solo and Ensemble Contest to be held this May in Austin. The band has 10 events advancing, represented by 24 different students.

This spring semester finds the program competing in both the Indoor Winter Guard and the Indoor Drum Line competitions. Both of these groups compete in the Texas Color Guard Circuit (TCGC), which is not school size based, but talent based, so Shepherd is quite often competing against the 5A and 6A high schools as one of the smallest groups there, being only 4A ourselves.

The Shepherd High Indoor Percussion (SHIP) is in its fifth year of competition and has won a divisional state medal each of the previous four years. The SHIP most recently placed 2nd in their division in local competition at Tomball Memorial HS on March 25.

class level after a 2nd place finish in local competition at Morton Ranch HS on February 4th. The guard has won state silver the previous two years and were on track for another successful state run in their division, when the promotion came, which is a victory within itself.

The guard's TCGC state contest is in College Station on April 1st and the percussion's TCGC state contest is in College Station on April 8th.

The full H.S. band is currently in the middle of their U.I.L. Concert and Sight-Reading preparation with contest coming up on April 7th at Caney Creek H.S. In this

> competition, the H.S. band has received 1st division ratings in concert, two of the last five years, and 1st division ratings in sightreading, six of the last eight years.

> With the potential success of the band at the Concert and Sight-Reading contest, The Royal Blue Band could be looking at the U.I.L. Sweepstakes Award, which would again make school history. So, congratulations to these fine students of

Shepherd High School, the performing organizations and their instructors for a superior year of success and best wishes for continued progress and success in the future.

has won seven state divisional medals from the previous

Shape Building with Toothpicks and Marshmallows

Students in Miss Ringland's Kindergarten class enjoyed creating 3D shapes using toothpicks and marshmallows.

Bottom row left to right: Rey Gonzalez, Braylin Bogany, Carter Harrison, Breanna Daigle, Elizabeth Mullenix-Tyler, Jake Papp, Tyler Harrison, and Olivia Alford.

After learning about 2D and 3D shapes, Mrs. Swiech's class used toothpicks and marshmallows to build different shapes. After creating their shapes they had to share the attributes of each shape with the class, and then record how many marshmallows and toothpicks it took to build their shape. Oh, these "worms"! They are everywhere! I know they are really called "tent caterpillars" but I am sure we have given them some other names in the past week! They have dropped onto my head, climbed onto my T-Shirt and found their way into the house. I sprayed roach killer round the outside door frame and it worked, except I had the somewhat grisly job of trying to sweep up the dead bodies afterward! According to the experts, they will soon be gone as they transform themselves into silky pouched cocoons. Did you go to Coldspring's Trades' Days "March

Madness'? It was a lot of fun. We were eating lunch in Paradise Grill when the competitors for the "Unbeauty Contest" came in. This contest is the brainchild of Cora Standley of 'Cora's Corner', and it is believed no other city has such a contest. Danielle Matheu- Nuro, who is President of C.A.B.M.A. was also part of the "Unbeauty Contest", and later announced the winners were 'Queen' Beth Ireland with Jason

Bleau winning the title of King.

Trades' Day is organized by San Jacinto Historical Commission. The next one is April 22. For information on becoming a vendor or just to learn more, call (936) 767-2332 or go to Coldspring's web site which is listed below. The week after on April 29, C.A.B.M.A. hosts April Artisans. This event is also in Coldspring's Courthouse Square and runs from 9:00 a.m. until 4:00 p.m. Many artists will be showing their work in many different mediums. If you wish to be a vendor, call the same phone number above. Vendor's space is 12 x 20 and cost is \$20.00. Food vendors pay \$30.00. This is a great way to buy and sell the creative endeavors of local artists. If you are an artist or becoming one, check out C.A.A.L. which stands for Coldspring Area Art League. If you are interested in joining C.A.A.L., they have an excellent web site with lots of information. The group meets on the first Monday of each month at 6:00 p.m.in Paradise Grille, Coldspring. They meet in the back room and have demonstrations of different artists work.

Shepherd Chamber of Commerce is working hard to create a bigger and better July 4th celebration this year. If you want to be a vendor, call the chamber number below. The firework display will be really wonderful!

Call your nearest Chamber for an appointment to talk with Director Bob Barragan of Sam Houston State University S.B.D.C. This is a free service. Bob will help with any business problemyou may have or any questions you want answered.

education from the Coldspring-Oakhurst school district. He graduated from Coldspring High School in 2008. Eric was an intelligent child and received high honors in everything he wanted to do. He loved playing basketball, "Look out Wee-Wee here come the ball" was an echo heard throughout our house. Jr. Burch loved his family and friends. He loved God and going to church, "yes church". As for the Burch house we were going every Sunday. Eric touched many lives young and old, with his big smile and great

personality. At the age of 25 he became a father. He has two beautiful children, they were his pride and joy. Eric Charles Burch III is now 1 ½ years old and Elijah De'Shaun Burch is 7 months, the loves of his life.

Eric received a scholarship from the US Navy and served proudly until he was discharged after a medical injury. He had many jobs after returning home, he served as a cook and was a certified nursing assistant.

On Christmas Day, December 25, 2016, our precious jewel went to be with his Savior. Eric's legacy will live on through his son's, family and beautiful friends. Eric is preceded in death by his grandparents, T.P. and Elma Fisher and Charlie and Mamie E. Burch. Left to celebrate his life and cherish his memory are his father, Eric Charles Burch, Sr. and his mother, Arletha Burch; two sons, Eric Charles Burch III, Elijah De'Shaun Burch, sisters, April L. Burch, Erica Burch-Sykes and husband Melvin, nephew, Jayden Christian Sykes and a host of aunts, uncles, cousins and treasured friends.
