This summer, libraries around the state are planning enjoyable programming around the theme of "Build A Better World!" We will enjoy reading together that will teach and encourage your child different ways that we can make our World A Better Place as well as, participate in fun activities and, make crafts that your child will enjoy taking home to show off to others!! written by Dorothy Pate

We as a nation need to take a few minutes this month to remember out service men and women.

Our Veterans are called to be in uniform. To serve both day and night. To rescue us from many dangers; at home and across the sea.

Our veterans—our heroes—stand together strong to keep our freedom! Let's please remember those that have made the ultimate sacrifice, as well as who are currently serving our great nation.

Take a minute to pray. Take a minute to say thank you! Or simply shake a veterans hand and say God bless you!

Our service men and women serve such critical rules in helping all the rights of others in hostile and remote areas of the world. It is truly impossible to understand the incredible sacrifices our veterans make each and every day on our behalves. In the name of freedom. We love you all!

MEMORIAL DAY

Remember those who served.
All gave some, some gave all.

In memory of those that have made the ultimate sacrifice and those that are currently serving our great country, First State Bank would like to invite our community to participate in a card drive for our military personnel. Drop by one of our locations and sign a card to show your support or bring in your own card May 4th - May 26th.

All cards received will be sent out in care packages provided by Faith Military Support Group

Support Trisha in kick'n Cancer's Butt &

Having Fun Sling'n that Mud for Our Girl!

Patricia Watson was been diagnosed with Uterine Cancer in March 2017. Many know her as "Trisha - Glen's sister and Owner of Down South Mudders Offroad". She had experienced some severe pain and bleeding unexpectedly. She went to the emergency room and upon her exam and couple of procedures - she and her husband, Kenneth were informed of the tragic news. With that being said, an ER oncologist confirmed what the ER doctor said. She has been referred to an oncologist at MD Anderson. This was not even a thought in her mind as she went to the ER. If you know Patricia as many of us do - you know her calm spirit, faith and big heart for helping other people within her community and co-workers. The plan for treatment is in discussion, but as you all know that is overwhelming in itself. She will not be able to work while receiving treatment. She and her husband work for the correctional prison facility in Livingston and even with insurance he cannot cover the costs on his own which include but are not limited to parking, multiple medications to help her cope with the effects of the treatment, doctor visits multiple times a week, which will continue to grow in cost rapidly. In addition to this they still have their home responsibilities and medical bills that are already piling up from the ER and procedures on top of lost work time. Patricia continued to help families in need within surrounding communities until this life-changing event. She has been there as a supportive friend, volunteering her time and donating at every benefit she attended.

Let's SUPPORT Her Now and Pay it Forward
AS They Would Do for You and Yours!
