### Chipotle Lime Shrimp Tacos

#### Ingredients

##### For the Chipotle Lime Shrimp

- 6 tablespoons fresh lime juice
  - ¼ cup extra virgin olive oil
  - ¼ cup honey
  - 2 tablespoons minced chipotle in adobo (*seeds removed for less heat*) (12oz on sale 2/\$5.00!)
  - 2 cloves garlic, minced
  - zest of 1 lime
  - salt and pepper
  - 1 lb shrimp, defrosted, peeled and deveined (40-50ct on sale \$5.99!)
- ##### For the Chipotle Lime Crema
- ½ cup sour cream
  - 1 tablespoon minced chipotle in adobo (*seeds removed for less heat*)
  - 1 tablespoon lime juice
  - zest of 1 lime
  - 1 clove garlic, minced\*

##### For the Tacos

- 8 white corn tortillas (30ct on sale \$1.69!)
- shredded cabbage
- diced avocado
- cilantro
- crumbled Queso Fresco

Make it a Meal! Make some cilantro lime rice (*Riceland rice 16oz on sale 3/\$2.00!*) and some yummy black beans to make these tacos a delicious balanced meal!

#### Directions

1. In a large ziptop plastic bag, combine the lime juice, olive oil, honey, chipotle in adobo, garlic and lime. Season with salt and pepper. Add the shrimp and marinate for about 20 minutes, squishing the bag around every few minutes to make sure the shrimp is thoroughly covered in the marinade.
2. While the shrimp is marinating, make the crema. In a small bowl, combine the sour cream, chipotle in adobo, lime juice, zest and garlic. Mix well.
3. When the shrimp is finished marinating, heat a large skillet over medium-high heat. Drain the shrimp and add the shrimp to the hot skillet. Cook until the shrimp is no longer opaque on the bottom side, about 3-4 minutes. Flip the shrimp over and cook the second side, about another minute. Remove the shrimp to a plate.
4. To assemble the tacos, top each tortilla with some of the shrimp, cabbage, avocado, cilantro and Kroger Queso Fresco. Drizzle some of the crema on each taco and serve.

Coldspring-San Jacinto Chamber of Commerce web site will shortly display photos of the officers on their Board. John Davis is the 'official photographer' for this and we went to his studio on the Courthouse Square for the occasion. John is owner of Chelten Art Studios and he made sure that the photos were well lit and the best that they could be. Other artists display their work there. Genie's Jewelry is a wonderful display of her stylish necklaces and earrings. There is a selection of paintings and stained glass work too and of course, John sells art supplies. His studio is on the Art Walk across from the Courthouse.

Shepherd Chamber held their monthly meeting later than usual this month. This was due to the stormy weather we had the week before. Who could forget that? I drove through it from downtown Houston and was lucky to be ahead of the flooded underpasses, which caught many motorists later on. Shepherd Chamber is busy planning our Independence Day celebration. This year it will be on July 3. If you wish to be a vendor for this event, call the Chamber number. We will have both inside and outside booths. Inside means inside the Community Center. Outside means under the Pavilion. I will give you more details next week but we are planning fun and games for all ages, music and food, and of course around 9:00 p.m. there will be Fireworks! This courtesy of Shepherd Mayor and Council who are paying for them. Please make a note to come out and celebrate this day with us. July 3 is a Friday so you can have two days of celebration over the weekend!

Fat Louie, the Library Cat, tells me there will be a celebration inside Shepherd Library soon. He emailed me this," It looks like something is happening here tomorrow. The Director Helenmarie and Sandy and Renee are planning a reception for some students who are graduating. I will try to get some photographs for you for next edition of the paper." I don't know how good Louie is with the camera but we will find out soon!

I noticed that the frogs have made their appearance again in the yard. With all the rain we had, they made the most of it and are busy multiplying. My friend April said they found tadpoles swimming in puddles in the lawn, the water stood for so long in our soaked ground. She and her husband scooped them out and put them in the ditch so they could grow safely out there.
