The Second Anniversary of Joe King 1933 - July 28, 2015

The Day God Called You Home
God looked around his garden
and he found an empty place
He then looked down upon this earth,
And he saw your tired face
He put his arms around you
And lifted you to rest.
God's garden must be beautiful
He always takes the best
He saw the roads were getting rough
And the hills were hard to climb.
So he closed your weary eye lids
And whispered, "Peace be Thine."
It broke our hearts to lose you
But you did not go alone
For part of us went with you
The day God called you home.

He was the best husband, the best father, and my best friend
and he was loved deeply.
Sadly missed by his wife and family,
Joyce King & Family.

Josh Cronin with his Texas FFA Foundation Scholarship.

and FFA Dance. During the day they attended the convention sessions cheering on three members of our chapter as they received the highest state degree in the FFA, their Lone Star Degree, this was Olivia Ansley, Hannah Kelso, and Abby Courville.

Two of our local FFA officers, Ty Wilson and Malloriegh Rhodes partook in the Business session debate where they gave very strong points on why we should not change how the State officers are selected. While two of our other local members Olivia Ansley and Baily Wells participated in the Agriscience Fair by providing displays of their topic and participating in interviews. They wrapped up their week by watching fellow member and Shepherd graduate Josh Cronin walk across the stage to receive a Texas FFA Foundation Scholarship which will help him pursue his dreams of receiving a degree in Engineering from Texas A&M . It was a great week for the Shepherd FFA members!

BY YVONNE RYBA

When I started to type something on my computer today, a voice told me it “had been infected by a virus. Please call the number on your screen for assistance...” Since I have been ‘hacked’ before I knew this was a scam. I logged off and waited a while and turned the computer back on. Everything was fine. If this happens to you, please know that you will never be contacted by your Internet connection in this manner. I picked up a leaflet this week when I was in my bank. All banks will have this useful information about how to conduct your transactions online. One thing that is emphasized is that they will never email, call or ‘otherwise ask you for your name and password or other banking credentials’. Next time you visit your bank, pick one up to read a lot of other useful tips. The Community and Children’s Impact Center has finalized their contract with their new place of business. Founder Brenda Myers will hold a Grand Opening on October 14. It is some months away but the day will be filled with celebrities and entertainers. Reggie Dixon of the Harlem Globetrotters will be there and so will the

Aztec Dancers. World famous boxer Termit Watkins always comes to Brenda’s events and Reggie Johnson is being invited too. The new Center is on Loop 424, or N. Byrd Ave, across from the Courthouse Annex in Shepherd. The day will be a celebration of a dream come true for Brenda and her Board. The building is currently being worked on to make it ship shape and will have lots more space. If you are interested in becoming a vendor for this event call (936) 499-2632 for information. Vendor forms are available now. Booths, which will hold two tables, cost \$50. You can reserve more than one booth. You must be there from 1:00 p.m. to 5:00 p.m. although you can stay longer of course. At the same time, the Center will hold a Fall Festival Fundraiser. There will be a Chili Cook Off and a Beverage Competition (Non-alcoholic). Judging for these will be at 6:00 p.m.. Forms are available for these too. More on this big day will follow in the future! Last week our State Representative Ernest Bailes had his ribbon cutting for Shepherd Chamber of Commerce. Coldspring- San Jacinto Chamber presented him with his Membership Plaque. It was held in the State Rep’s office in Shepherd on Hwy 150 and law enforcement officers were there to control the traffic! It was the most crowded ribbon cutting we have had! It is a wonderful thing to have our local resident also be our State Rep. (even if we have to share him with other counties!)

Contact your chamber for an appointment with Director Bob Barragan of the S.B.D.C.
This is a free service to business and would be business owners. Questions, advice and ‘how to’ create proposals etc. are all welcome.
