Dinner Tonight Healthy Cooking School Road Show Just Weeks Away

Mark your calendars now to join us for food and fun at the Dinner Tonight Healthy Cooking School Road Show, which will be presented by Texas A&M AgriLife Extension Service. The local event will be held Tuesday, September 8, 2015 from 12:00 to 1:30 p.m. at the Shepherd Community Center located at 10251 Highway 150 Shepherd, Texas 77371. The doors will open at 11:30 a.m.

Our demonstration recipes are cost effective, easy to prepare, and fit into a healthy meal plan. In today's fast-paced lifestyle, nutrition and exercise do not have to be on the back burner. Dinner Tonight is designed to help busy families enjoy healthy and delicious meals, and we even provide fitness tips to help people become more active.

During the cooking school, everyone will see demonstrations of quick and easy-to-make recipes from the Dinner Tonight Cookbook. County Extension experts from seven counties will conduct the food demonstrations. Door prizes will be given throughout the event. Each participant will be provided with a copy of the Dinner Tonight Cookbook and Texas Beef Council recipes in the registration bags. The unique cookbook contains 12 menus which include the entrée, sides, and dessert. This cookbook contains six bonus recipes and is perfect for busy families. We are targeting busy people who still want to make time for meal preparation and feel good about what they are feeding themselves and their family. Our goals are to celebrate family mealtime, teach families healthy meal planning and food preparation techniques, and promote Texas agriculture. The school is limited to the first 80 who register. This is a unique cooking school because it's a road show. We recognize schedules are busy. So if the San Jacinto County date is not a good date, register for one of the other stops—September 15 in Milam County (Cameron), September 24 in Montgomery County (Conroe), September 28 in Grimes County (Navasota), September 29 in Burleson County (Caldwell), September 30 in Lee County (Giddings).

The cost of the event is \$20 in advance. Pre-registration is required one week prior to the event. Register by mail at P.O. Box 1086 Shepherd, Texas 77371 or in person at 11 Carrier Avenue, Shepherd Texas 77371. For additional information, contact County Extension Agent Brandon Gregson or Janice Chamblee at (936) 628-6407. Joke of the WEEK

Q: How do you drown a Hipster?

A: In the mainstream.

Did you know...

By Yvonne Ryba

We have a lot happening in our area this next week. If you want to relive the 1950's, enjoy Rock'n'Roll and enter a Jitterbug and Twist Contest, come to Coldspring Community Center's "Community 50's Night Out" at American Legion's Post 629 at Camilla. There will be a Silent Auction, 50's style concessions, dancing to DJ Jimmy's 50's music and lots more. Burgers with Fries of course are on the menu along with Ice Cream Treats. (Go on spoil your self!) Tickets are \$20, available from Darchele at (963) 628-6739 and the evening starts at 6:00 p.m. This is a fund raiser for Coldspring's Community Center. Like them on Facebook!

Shepherd welcomes a new business, one who just became our latest member. Blessed Assurance HomeHealth Care Inc. is a faith based business with one office already open in Houston. They are in the same block as the Chamber of Commerce and EDC offices at 11231 Hwy 150. They are in Suite A and their motto is "Care that exceeds expectation!" They are licensed and certified and offer reliable and quality home health care with skilled nursing, occupational therapy, Homehealth Aide and evaluation, social work provider services and medical supplies coordination, among other things. If you need help call them at (936) 585-4519. Ask for Sheri! Outside our area call (1-855) 445-8444 or go to their website www.bahomehealthcare.com.

A few weeks ago I mentioned the 'Open Carry Seminar' at Shepherd Community Center to be held on August 21 at 7:00 p.m. This is a FREE seminar packed with information about the new laws around 'Open Carry' on campus, in public and so on. If you want to understand the complexities of the law, this seminar is for you. Terry Holcombe Sr. will be the leader of this educational program which runs about 2 1/2 hours, depending upon the question and answer time. There will be hand outs available and you will also be able to see how much the license will cost you, since there are many different discounts for different groups of people. For example, the Standard License costs \$140 the first year, then after that it is \$70 each year. If you are active in the military there is no fee. Active Texas Peace Officers pay only \$25 for the first year, then every year after the price stays at \$25. The same is true for Honorable Retired Peace Officers. A Senior Citizen, over 60, pays \$70 to start then \$35 each year after that. Indigent residents, that is below the poverty line, pay \$70 to start then \$35 each year after, There are more groups and you can learn more about each category at this seminar.

Here is an interesting contest for the creative ones among us! Can you design a flag for San Jacinto County? The contest will run into 2016, submissions must be delivered by April 21, which is the Battle of San Jacinto Day. County Judge John Lovett is instrumental in getting this contest off the drawing board, (so to speak!) and the rules are simple, you are asked that your design reflect the beauty and history of the county. Basic standard colors only are to be used, less than five preferred. Entries may be submitted in any art medium, but bear in mind the winning design will be digitized to make the flag 3 x 5. The winning design will become the property of San Jacinto under copyright. What is the prize? The American Legion in Camilla, will give a \$200 gift card and the winner will be honored during a special flag raising ceremony at the Courthouse in August, 2016 at the 146th birthday celebration.

The winning design will be selected in late May, early June next year. For more information email deveritt@sjchistorical.com. You may hand deliver your design to San Jacinto County Courthouse, County Judge's Office or mail them to the SJC Historical Commission at P.O. Box 505, Coldspring, TX 77331. This is a great way to honor our county and its heritage.

Shepherd EDC recently bought the property owned by the Dillon family on Hwy 150. President of the EDC, Joe Williamson, says that the intention is to move the offices of both Shepherd EDC and Chamber of Commerce into the building. One half has already been rented out to a new tenant. Watch out for our new address! Our phone number is of course staying the same.

City of Shepherd
Highlights from Council Meeting

By Yvonne Ryba

Mayor Coker called the meeting to order and asked Alderman Jody Holloway to give the prayer. After the Pledge of Allegiance to both the United States and Texas Flags, the minutes were read and approved by all. The monthly bills were approved for payment and we settled back to listen to Library Director Helenmarie Johnson give us a report on how Shepherd Public Library is doing. It is doing very well! We have increased the number of people who visit the library daily from around 45 to 140 approximately. When asked by Alderman Michelle Minton what did she think accounted for this increase, Helemarie replied she had instigated many new children's programs, including the Dr Seuss story telling programs, and more recently, the Dance Troupe exhibition, so that people had become more aware of the Library and so visits increased.

Constable Roy Pippin gave his monthly report next. He and Deputy Constable Ray Atchely made 60 patrols and written 31 tickets for a variety of violations. Constable Pippin said we have had a rash of burglaries. Please watch out for suspicious behavior in your neighborhood. There was an appeal by a member of the public on the agenda, but she did not appear to discuss this before the council. There was discussion on her appeal to change the decision made by the Library Director to ban her from the library. Ms Johnson explained that the person in question had become very confrontational with another library member and this had happened several times before. The council agreed that disturbing the peace in the library could not be allowed. It was decided to keep the ban in operation till the next meeting, when the circumstances would be considered again.

In Old Business, we considered the proposal by Constable Pippin regarding Josh Whitmire giving his services to the City free for one year as our Fire Marshal, in return for the City paying for his training. Yvonne Ryba applauded the ingenuity of this idea and after discussion the council approved this. The big item on our agenda came next. This was TxDot's invoice to the City of Shepherd for relocation of the City utilities on Highway 59. City Attorney Larry Foerster had done considerable work on finding ways for us to pay this very large sum of over \$770,000. There are differing ways, one consists of have a Bond election, another of asking the Water Agency for a loan. Both of these would increase the amount owed considerably, sometimes by nearly \$100,00. The Council looked at increasing the water rate to users by a very small sum each month, between \$3 to \$5. If TxDot would accept payments over 20 years, Shepherd could pay this invoice without costing residents large tax increases. The council asked Mr Foerster to negotiate with TxDot in the matter.

Johnathan Rhoden was granted a Mobile Home Variance after producing photographs and maps showing his home and its location in the City. The Mayor said we would be looking at some of the other mobile homes in the near future, which were in need of repair or removal because of their poor condition.

Budget time is fast approaching and the council decided to have a Budget Workshop on August 31 at 5:00 p.m. This will also allow us to factor in the TxDot payment issue into next years budget.

Shepherd Council meets on the second Monday of each month at 7:00 p.m. in Shepherd Community Center.

Happy Birthday, Seniors!
