## SJC Refinances Jail Debt Saving Over 100k

On July 19, 2016, San Jacinto County Judge John Lovett signed the bid acceptance form that officially refinanced the bonds issued to expand the County Jail and saved the county \$113,241.25 in interest payments spread over the next five and one half years.

Similar to refinancing a home mortgage, the remaining \$2,135,000 in debt has been refinanced from an interest rate of 4% down to 1.24% with no extension or restructuring of the debt. The maturity on the debt issue will remain February 15, 2022. The reduction in the interest rate on the outstanding debt is where the savings of \$113,241 comes from. Originally, the proceeds of the Certificates of Obligation, initially issued in 2007, were used to expand the San Jacinto County Jail.

This refinance is quite timely as the Commissioners Court is now deliberating the fiscal year 2017 county budget. The \$113,241 in interest savings was a budgeted item through maturity in year 2022. The annual savings can now be used to fund other county priorities, saving taxpayers about \$20,000 per year in interest payments.

The county received bids from four financial institution syndicates, representing 29 total bidders, to purchase the county's debt with the best bid carrying a True Interest Cost of 1.240711%.

Since taking office in January 2015, Judge Lovett has devoted his efforts to find ways to improve and streamline the processes of county government and find ways to maximize the limited budget resources available. When asked about this transaction Judge Lovett states "in everything I do, I ask myself a simple Yes or No question – Will this improve the lives of people living in San Jacinto County? – saving money is obviously helpful. I will support any measure that I feel will improve the lives of our residents, regardless of who brings the idea forward". The county should be pleased with the results of this transaction.

Did you know...

by Yvonne Ryba

Summer is definitely here! Big thunderstorms interspersed with hot, humid periods and everything in the garden is growing the proverbial beanstalk. Remember how the beans grew overnight into a huge stalk, which reached beyond the clouds? That is how my grass is growing!

August is here and with it the chance to celebrate another milestone in our history. San Jacinto County Birthday Celebration is August 13. The San Jacinto County Historical Commission hosts this event, which is a big fund raiser for the Jail House Museum and Old Town Coldspring. This event is always a lot of fun. Some really wonderful donations are auctioned at the American Legion Post 629, which starts at 5 PM. There will be food to eat and while you are there, you can browse the items in the silent auction. If you want to know more or if you have something to donate please call (936) 653-4708. This is an opportunity to help us keep an important part of our history in this county.

The SJCHC is also the host for Trades’ Day on August 27. If you want to be a vendor or need more information, call one of the following numbers, (936) 653-2332 or (936) 827-8310. Held in Coldspring Court House Square, this is always a pleasant way to spend an hour or so shopping for bargains and connecting with people.

Shepherd Chamber of Commerce have been planning their Christmas Parade and Fair. We have vendors already lining up for this! Our July 4th Celebration was very successful and many vendors from that event have signed up for the cooler time in December. We will have the Children’s Play Area games again with some additional features added and of course music and fun. If you have a business in our area, please consider decorating a float and entering the competition. Last year was really wonderful but this year will surpass that! Call Shepherd Chamber Secretary Helenmarie Johnson at (936) 628-3515.

Did you know that Multi-Media Services Unlimited was established in 1966? This is a family business run by Gerald Deeter and his wife Linda, who provide a myriad of opportunities for businesses to advertise their products. They will build your web site (They built one for Shepherd Chamber of Commerce), provide any promotional item you can think of and of course they print business cards, stationary, envelopes, and they offer a Name Badge Warehouse program for your business. Their web site is packed with information and they have over 4,500 supplier catalogs at their disposal! They say “We provide anything with your name on it. If you have an idea, call us, we’ll find it for you.” Call them at (936) 653-8600 or go to their website.

Need answers to your business questions? Not sure about the rules and regulations of your business? Call your local chamber to make an appointment with Director Bob Barragan. Bob travels to 10 counties in our area helping people with their problems. He is Director of the Sam Houston State S.B.D.C.
