SISD Says Thank You!

Shepherd ISD would like to recognize the business office. The department works tirelessly year round. They assist with grant closing, the yearly budget, manage over 100 activity funds, and expenditures of \$ 10,000,000 in state revenue. The business office team is made up of five members. Mr. JW Kirkham, the Business Manager, came to the district in August 2012. He works with state revenue estimating, local taxes, long range planning, and with the district's budget. Pictured left to right, Mrs. Tanya McAdams, who became part of the team, June 2016, assists in accounting and purchasing along with payroll training. Mrs. Barbie VonKamp was hired in November 2012, and is in purchasing payables. Mrs. Cheryl Ballard, who has been with the district since September 2011, processes payroll and handles the employee benefits. Mrs. Vicki Boyd came to the business office in 2006. She helps with receipting, journal entries and twenty different activity funds. As you can see the business office is a big part of Shepherd ISD and we would like to say thank you for your dedication and commitment that helps make our district a success.

Did you know...

by Yvonne Ryba

This week a group of City employees, including Library staff and three of us from the Chamber of Commerce had our lunch at a new member of our Chamber, Sonic in Shepherd. Luckily there was a light breeze and we sat outside and enjoyed our selves. If you haven't been to Sonic recently, give it a try. I ordered 'Breakfast Burrito' with bacon which is an all day item on their menu. Everyone had something different and we munched away happily while Helenmarie took photos of our group. If you don't see them here this week, you will soon.

Sonic is our only fast food restaurant in Shepherd since Glo Glo closed. It is also the only place which is open late at night. They are open every day from 7:00 a.m. - 10:00 p.m., except on Friday and Saturday when they stay open even later, until 11:00 p.m. The menu is very varied, from ice cream to burgers, from milkshakes to onion rings and desserts and fries or tater tots and the list on and on.

However, Sonic is more to our community than just a fast food place. Sonic does fund raisers when possible with our schools, like their Community Cards which sell for \$5 and 100% of the profit goes to the schools. They contributed to the 'Hug a Tree/Kiss a Fish' fundraiser and they help the community when disasters happen, as when we had flood victims living in Shepherd Community Center recently. They give all school district employees discounts and donate to the schools 'Accent on Kids- A- Honor Roll/ Perfect Attendance'.

The owner Larry Beckler, and his manager son Michael, have reorganized their kitchen and are in the process of hiring a night manager. For more information call them at (936) 628-2355. Located at 6400 on the US 59 frontage road, beside First State Bank. Call in and treat yourself!

Shepherd Chamber of Commerce welcomes another new member! Layla Johnson opened her hair salon in the middle of town, next door to City Hall. She is getting ready to expand into the front room, currently occupied by Shey, sometime in October. She will have her Grand Opening on November 8. Her present location is just behind Shey's salon, enter by the door next to Shey. 'Hair by Layla' is a cozy, comfortable salon with an innovative owner who likes to try new ideas. She is welcoming and makes her clients feel right at home. The customer who had just had her hair done said how appreciative Layla was of her clients. Look her up on Facebook! Hours are 9:00 a.m.- 5:00 p.m., text or go to Facebook to make an appointment and to see photos of some of her clients styles, or call her at (281) 761-8660. 'Hair by Layla' located at 11018 Hwy 150.

First State Bank have a leaflet at the counter which reads 'Text Fraud Alerts'. The leaflet tells you how to join 'Guardian' to prevent thieves stealing your bank card or using the number even if you still have the card. Go to the Bank's web site and follow the instructions. The leaflet will also help you to enroll in the Guardian program so that you will receive an alert from them if someone else tries to use your bank card. Some years ago I was mugged while in a parking lot and my handbag stolen. The thieves cleaned out my bank account in 30 minutes while I was on the phone trying to get help. This kind of program can be a great help in that kind of situation!

Need answers for your business questions? Not sure about the rules and regulations of your business? Call your local chamber to make an appointment with Director Bob Barragan. Bob travels to 10 counties in our area helping people with their problems. He is Director of the Sam Houston State S.B.D.C.

It's Capital Credit Time Again for Sam Houston EC Members

Your Touchstone Energy® Cooperative

Sam Houston Electric Cooperative is continuing its long-standing practice of paying capital credits to its member-owners. In September, members' electric bills will be lowered with their portion of \$3.08 million in capital credits.

In 2015, Co-op members received a total of \$3.16 million in capital credits. In 2014, members were paid \$2.3 million in capital credits on their September statements.

Over the years, Sam Houston EC has paid more than \$39 million in capital credits to its members.

"Capital credits are another benefit of being a member of an electric cooperative," said Kyle J. Kuntz, Sam Houston Electric Cooperative Chief Executive Officer. "Since the Cooperative is not-for-profit, we assign surplus revenues to each member based on the amount of electricity they purchased. This is called a capital credit."

Capital credit dollars are then used to build, upgrade, and operate the Co-op's power distribution system. That means each member owns a part of the lines, poles and substations that deliver electricity to their homes and businesses. This cornerstone of the cooperative business model allows Sam Houston EC to provide members with safe, reliable and cost-effective electricity.

When the Cooperative's financial condition allows, as it does nearly every year, a portion of each member's capital credits is paid to them as a credit on their September bills. This bill credit is also referred to as "retiring" capital credits.

Only in extreme situations are capital credits not paid to members. This occurred following extraordinary repair costs related to Hurricanes Rita and Ike, and also in 2012 and 2013 after the expense of removing more than 200,000 dead and dangerous trees that threatened power lines following severe drought.

"Unlike investor-owned utilities that operate for profit and pay out dividends to shareholders, Sam Houston EC returns unused capital to our member-owners who actually purchase the electricity," Kuntz said. "We work hard to find the best deals on electricity and operate as efficiently as possible in order save our members money. That's what being a not-for-profit cooperative is all about."

INSPIRING HOPE WOMEN'S OUTREACH MINISTRY: Inspiring Hope Women's Outreach Ministry is extending a "Special Invitation" to women of all ages to come and join us, as we reach out to "touch and change lives" through the study of God's Word. The ministry began in February 2015 when five faithful women, who love God, had a desire to make a difference in their lives as well as the lives of others in the community. Not only do we meet and study God's Word, but we have so much fun doing so!

The meetings are on **every third Thursday of the month**, beginning with a morning visitation at the Woodland Park Nursing Home in Shepherd, Texas at 10:00 a.m. to 11:00 a.m., followed with an afternoon bible study of the "Women of the Bible" from 4:30 p.m. to 5:30 p.m. at Mt. Zion Baptist Church, 350 South Hill Street, Shepherd, TX 77371.

It is amazing what this ministry has accomplished within a short period of time! What started out with five dedicated women has now begun to grow. Our members include: Director, Dr. Anita Wright, Margaret Williams, Christie Andrews, Sandra Harrison, Sylvia Scott, Sheryl Griffin, Ann Moreland, Eunice Cavil, Jewel Bogney and Ruby Hubbard.

Please come and join us for the next monthly meeting scheduled for Thursday, **September 15, 2016**. We know you'll be blessed! In the meantime, there is a Question: "What kind of woman am I?"
